

Happy New Year!

As we welcome in the New Year, please join me in counting blessings. I am so thankful for you, our customers, who choose to share your lives and your sense of adventure with us. I also want to say a special thank you to Donna and Karen who go above and beyond great service and truly love their jobs. What an inspiration!

Many of you have met my 11 year old granddaughter, (Karen's daughter), Madison. Madison's passion is horses and recently she has been selling her hand-made beaded earrings in the store. The response has been wonderful and she is developing quite a savings account. One day she will buy the horse she is dreaming of. See pictures of Madison riding a horse at www.page2books.com.

I made my annual trek to London in October, staying in a B&B in Hampstead Heath (north London). This is John Keats territory and was also a favorite walking place of Dickens, Pepys, et al. One day I joined one of our customers who was also visiting London. We had a great time at the Tate Modern Museum. I also devoured five books. Now THAT'S a vacation! See pictures of my trip on our website.

Last summer we raised prices on recently published and specialty books. This is less than 1% of our books. This solution offers you buying options while helping us meet rising costs. The remaining 99% of our books continue at our original low prices! When you buy a recent book from us, you make a major contribution to our bottom line and those prices are STILL LOWER than most retail stores.

We know you care that your bookstore not only survives but thrives. We also know you count on us for your favorite books, for reasonable cost, for recycling your books and for a friendly face when you walk through the door. We are proud and grateful to report to you that we continue to grow!

In 2008, we increased our sales by 8%, sold over 30,000 books, have a mailing list of over 800 customers, gave away over 200 birthday gifts and redeemed over 250 REWARDS cards! (the pink card) WOW!

WHY ARE WE GROWING? We make every attempt to manage our store in a responsible way. However, it is YOU, our customer, who causes us to **grow**. It's because...

1. YOU tell other people about us,
2. YOU buy your books from us and
3. YOU bring us books to sell!

Thank you, thank you for being the reason for our success. With your continuing partnership, we look forward to a fabulous 2009! To celebrate our success, please plan to join us for our **Customer Appreciation Day on January 31!** See details on the back. See you soon! --Gayle
